Shibboleth Use Internationally

- Growing coverage of Shibboleth based federations

- In production

- Finland - **HAKA**
- France - **CRU**
- Switzerland - **SWITCHaai**
- UK - **UK Access Management Federation** (formerly SDSS)
- US - **InCommon** (and further federations on state level)

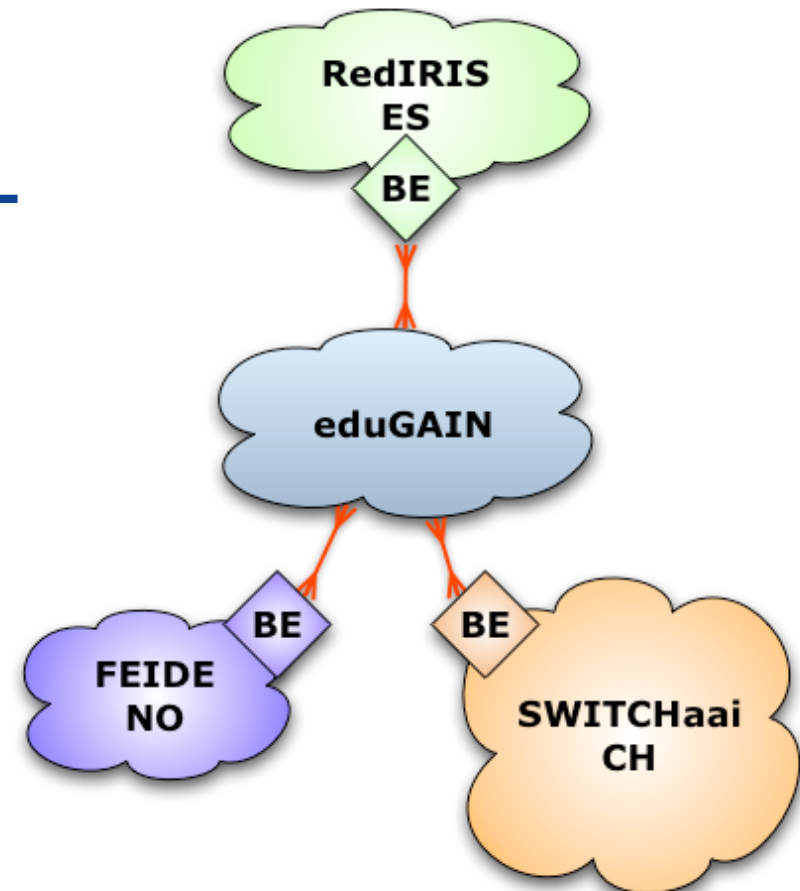

- In pilot or preparation phase

- Australia - **MAMS test bed**
- Belgium - **Associatie K.U.Leuven**
- Czech Republic
- Denmark - **DK-AAI**
- Germany - **DFN-AAI**
- Slovenia
- Sweden - **SWAMID**

- eduGAIN is the AAI **research** project of GÉANT2
- Goal: **Pilot confederation** of national AAI federations
 - Allow **cross-border** access to services
- Lingua franca for eduGAIN is SAML
- «eduGAIN Bridging Elements» link the federations
 - Which services are available?
 - Whom to trust?
 - What needs to be translated?
 - What shall be allowed for whom?

SAML = Security Assertion Markup Language
