IdPs and Partners 'in the Queue'

- New Members setting up their IdP
  - FH-HWZ, HSZ-T, PHZH

- Members without an IdP yet
  - CHUV – Centre Hospitalier Universitaire Vaudois
  - RERO – Réseau des bibliothèques de Suisse occidentale

- **Potential** next IdPs
  - Agroscope, EMPA, EAWAG

- **Potential** Federation Partners
  - Mobility Car Sharing
  - STA Travel (for international student card)
  - Publishers: JSTOR, LexisNexis, Ovid, Project MUSE, ProQuest

CA Acceptance Policy

- No objections received → Accepted

- Final addition to the list of Root CAs
  - QuoVadis Root CA
    - Required some older IdPs to change config
      Disable CA/Chain validation on the Attribute Authority handler

- AAI web pages to be updated
- QuoVadis Certificate to be added to the metadata
- When upgrading to Shib 2.1 start using embedded, self-signed certificates (for the SAML communication)

Shibboleth Install Fests

- Three successful Shibboleth Install Fests
  - June and July in Zurich
  - August in Lausanne

- Your next chance IdP & SP Install Fest
  - Wednesday 21 - Friday 23 January 2008 in Zurich
  - Register at http://switch.ch/aai/events/installfest-2009/
